

## Morley PAC Fundraiser - Safety Reflectors

To the parents and guardians of Morley students:

Winter is coming, and with that comes shorter days and longer nights. To help our Morley community stay safe and visible, we have teamed up with Finnex Reflectors and are pleased to offer the following options for our fundraising.

The Finnex reflectors are 100% waterproof and increase visibility up to 250m when illuminated by a light source such as car headlights. The clips are easy to clip onto a jacket, backpack, or your pet's collar. The slapsticks are perfect to wear on arms and legs while running or night skiing. The bike spoke clips are a fun way to maximize visibility of your bike at night! These make great gifts for any occasion and are excellent stocking stuffers!
